

## ***I need your blood!***

I need a drop of your blood and the information, where it comes from for the performance "stars & stripes". ***Please put a drop of your blood in the white circle of the star, enter your family tree and send it to my address:***

**Stephan US, Schonebeck 76, 48329 Havixbeck, Germany**

"stars & stripes" is a performance and installation of 297 stars, about nationalities and blood, the Migratio, the walking movement with blood, a flag and all the flags, with blood, starlets, to be a star and stardust.

This performance will take place in a few times. Your blood will also flow there, network and connect.

**Thank you! + Sincerely**
